Dear Russell,

On behalf of Reclink. PBS 106.7FM, Triple R 102.7FM, the Esplanade Hotel and Jason Evans, I would like to thank your organisation for its support of the 2010 Community Cup.

The day would not have been the success it was without your generous commitment. Approximately 10,000 individuals attended this event and in the process helped raise in excess of \$180,000 to support Reclink's sport and arts programs for individuals in the community experiencing disadvantage.

With the Triple R 102.7FMIPBS 106.7FM Megahertz defeating the Espy Rockdogs by one point, the highlights of the event were endless and none possible without your involvement.

I trust that this iconic community event will become a permanent fixture in your diary and look forward to your involvement next year.
