PRESIDENTS REPORT 2010

It has been a privilege to serve the VFAFAU as President over the past two years. I believe we have developed some outstanding relationships not only with the VFA Board and staff but also within our own umpiring department and amongst our umpiring group.

The year commenced with the announcement to our members that we had signed an agreement with triathlon clothing company Orca to provide umpires uniform for the next 3 years. Not only have Orca agreed to provide us with top quality on field uniform, however their agreement extends to cash back offers for the VFAFAU when apparel is purchased by our members from the Orca store or at training. Our deal with Orca is unique for any umpiring organisation throughout the State. All of our umpires received their first set of uniform free as well as a quality fleece jacket (valued at \$100) for \$25. The feedback regarding our uniform has been very positive and we are delighted that our relationship with Orca will continue into 2011 and 2012.

In 2009 the VFAFAU Executive established 3 clear priorities;

1. To improve the quality of our service provision to members.
2. To improve the culture of the VFAFAU
3. To further establish positive relationships with the VFA.

This was extended in 2010 to include the following objectives;

1. Establishment of a social Committee and a separate committee to look after the Pre Finals Dinner.
2. Change the Constitution to reflect the roles of Executive Members.
3. Establish a separate Life Members Function and strive to improve communication to this group.
4. Continue to improve the culture of the VFAFAU.
5. Ensure the positive rollout of sponsor equipment and to ensure that we continue to benefit from this arrangement.
6. Critically assess the VFAFAU logo and name.
7. Further improvements to our clubrooms including furniture upgrades.
8. Continual exploration of fundraising efforts through sponsorship, raffles, functions and bar sales.

I am pleased to report that we have successfully met our objectives of our Pre Finals Dinner Committee, our Life Members function and communication, successful rollout of uniform and fundraising improvements. In 2011 under a new Executive, I am delighted that we will endeavour to have the Constitution reviewed to adequately define the roles of Executive members as well as look to change the VFAFAU logo to reflect a more modern image and approach.

Whilst the VFA look to redevelop Elsternwick Park, the future of the VFAFAU facility remains in doubt. Whilst the result of the recent State election has somewhat delayed the redevelopment, the VFAFAU will continually strive to ensure that our needs are met and that any discussions over a new facility are met with the approval of a representative from the VFAFAU. Our rooms are integral to our strong culture. They were built with our members' funds and vision. We have exclusive access to them within a wonderful facility. Any new facility would need to entail what we have now as a minimum standard. I can assure our members that we will be working closely with the VFA Board to ensure this.

PRESIDENTS REPORT 2010 CONTINUED

There are a number of people who have assisted me greatly over the past two seasons. To my Executive Committee – Luke Holmes, Alan Stubbs, Darren Dalgliesh, Dean Schwab, Grant Wardrop, Brent Woodhead, Rob Mayston, Ryan Robertson and Leah Gallagher thank you for your incredible support. Stubbsy retires after four years as Secretary, a job that he has performed wonderfully well and with many laughs along the way. Stubbsy has been a credit to our Association and it is people such as him that keep us all coming back. To Dean Schwab, who has battled health concerns over summer, well done on a great first year as Treasurer. Dean has kept us on track, provided us with constant updates and has provided us with the confidence to go ahead with our visions and projects as need be. Leah advised me that due to work commitments she would have to resign as Social Secretary during the season. Whilst this was disappointing, I respect Leah's decision and thank her for the work that she did in preparing for the season and having our stock up and running. It was wonderful to see our team take on Leah's role in light of our decision not to appoint a Social Secretary for the remainder of the season. Thanks to Darren, Grant, Ryan and Brent who took on the bulk of the workload in this respect.

I have thoroughly enjoyed working with the staff of the Vafa and in particular my dealings with Michael Sholly and Sue Anderson. I have found our relationship to be positive and we have been able to achieve a considerable amount due to the ease of our discussions. I wish to thank the Board of the Vafa for the positive spin that they place on umpiring. I know of no other competition in Australia whereby the Board of an organisation makes a beeline towards the umpires at each of the breaks to either introduce themselves or say hello. This is particularly satisfying for the umpires and shows the class of our competition.

Thank you also to our extremely competent web master, Tim Sutcliffe and our ever supportive sponsor, Anthony Damen.

A final thank you to Director of Umpire Operations, Brian Goodman, Head Coach, Brad Lowe and Senior Field Umpires Coach, Tony Hales for their tireless support of our Association. It is most satisfying to know that we are working together and that we all have mutual respect for each other. I hope that this relationship continues for many years to come.

Finally, there are very few opportunities in organisations such as ours to be able to hand the reins on to an extremely capable individual. Usually good Presidents are hard to find or they have to be coerced. I am in the extremely fortunate position to be able to hand over to a person who will be a wonderful President of our Association. Luke Holmes has been a tremendous supporter in my time as President. He is positive, motivated, caring, and articulate and above all else has a passion for this organisation. I wish Luke well and thank him for his incredible support over the past two years.

I wish our members well for a successful 2011 and thank you all for your support in my time as President.

Russell Davidson

SECRETARY'S REPORT 2010

The season of 2010 was another very successful season for the VAFUA.

Our ongoing Executive from 2009, under the leadership of our President, Russell Davidson, continued its program of improving service delivery to members after an honest and frank review of our priorities set in 2009.

Russell, in his report, has given a most comprehensive review of our achievements in 2010 including the eight objectives that the Executive identified for implementation in 2010.

Congratulations to members of the Umpires Association Executive for their efforts and leadership of our organisation and their willingness to lead our organisation again in 2011. Thanks to Rusty Davidson for his outstanding leadership and vision, Luke Holmes for his passion, energy and drive, Dean Schwab for his thoroughness and innovative approach to the Treasurer's role, and other 'exec' members Grant Wardrop, Brent Woodhead, Darren Dalglish, Ryan Robertson and Rob Mayston for their valuable contributions.

2010 has been a year which has seen a consolidation of our very successful and popular functions including our pre-finals dinner, grand final luncheon, trivia night and regular poker evenings. Thanks to all those involved in the organisation of these events. Congratulations to all involved in organising the pre-finals dinner at the MCG dining room and to John Robinson for his assistance. Well done to Luke Holmes again for the countless hours he put into the AV presentations during the dinner which were again a highlight of the night.

A big thank you to our loyal sponsors in particular Personal Mortgage Managers (Anthony Damen). As Russell has outlined one of the VAFUA's most significant achievements in 2010 was the signing of an agreement with triathlon clothing company, Orca, to provide umpires uniforms for 3 years. Many thanks to Orca and may all umpires endeavour to support them for your training apparel.

Congratulations to Tim Sutcliffe for his excellent work with our website. It is a fantastic vehicle for communication: between our members and the VAFUA, and the wider amateur and football communities, and continues to grow in importance every year as our primary vehicle of communication.

Thank you to the staff of the VAFU, and the VAFU Board, for their professional administration of amateur football. Particular thanks to Sue Anderson and Jessica Ware who have been a pleasure to work with in my role as Secretary of our organisation.

The quality of our umpiring in the Amateurs has continued its enviable reputation in the Amateur and wider football community. It has been very heartening to see so many young umpires consolidating their development and moving through the ranks in 2010.

**VICTORIAN AMATEUR FOOTBALL ASSOCIATION
UMPIRES ASSOCIATION INCORPORATED**

SECRETARY'S REPORT 2010 CONTINUED

Brian Goodman does a great job spearheading the recruitment of new umpires but we must also remember that we are all ambassadors of the VAFUA and should advocate the benefits of amateur umpiring wherever and whenever we can. Retaining umpires over the long term is always challenging and the executive has continued recognise extended service and hopefully encourage umpires to strive for these milestones.

It has been an honour and privilege to serve the VAFUA as Secretary over the past four years. I have thoroughly enjoyed building positive relationships with the VFA Board and staff and representing the Association at numerous official functions.

I would like to wish Luke Holmes all the best in his new role as President in 2011. The leadership of our organisation is in great hands. Also, best wishes to Grant Wardrop in his new role as Secretary in 2011.

In conclusion, best wishes to all umpires for an enjoyable and rewarding season in 2011.

TREASURER'S REPORT

Season 2010 was very successful on the financial front for the VFAFAU. This season was my first as Treasurer and we finish 2010 in a great position.

Some changes of note in Season 2010 were:

- The acquisition of a cash register. This was imperative in keeping an audit trail of all transactions made in the bar.
- The VFAFAU's bank accounts were all linked electronically and this reduced the amount of cheques written throughout the year. There was also the addition of an interest bearing account and all bank fees were waived due to our status as not-for-profit.
- The rooms were enhanced with the purchase of a TV & DVD player, for use at both training & social functions.
- We were also lucky enough to have struck a great deal with the Liquidator of La Porchetta in Geelong. The deal saw us realise a surplus of drinks from the liquidation and this greatly enhanced our bottom line.

One of the biggest coups for the VFAFAU this year has been our new sponsor; Orca. They have given all umpires comfortable and trendy looking uniforms and have subsidised the cost of most of the gear. This has been greatly appreciated and we look forward to having Orca as our main sponsor in 2011. Also, thanks to Personal Mortgage Managers (our only other sponsor) for their contributions to the VFAFAU in 2010.

During the year we undertook some fundraising events with our traditional BBQ at Bunnings, our monthly meat tray raffle and the 'wheelbarrow raffle' at the end of the season. These were all very successful fundraising events for the VFAFAU.

I would like to thank everyone that volunteered to work tirelessly behind the bar on Tuesday and Thursday nights. Namely, Daggles and Brett Morton, I thank you for your unwavering support for the VFAFAU and look forward to working alongside you as an executive in 2011.

I would like to finish by thanking all the executives for welcoming me in my role as treasurer and I look forward to continuing in the role in 2011.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF**

**VICTORIAN AMATEUR FOOTBALL ASSOCIATION
UMPIRES ASSOCIATION INCORPORATED**

We have audited the accompanying financial report, being a special purpose financial report, of Victorian Amateur Football Association Umpires Association Incorporated ("the Association"), which comprises the balance sheet as at 31 October 2010, the income statement and the cash flow statement for the year then ended, a summary of significant accounting policies and other explanatory notes.

Directors' Responsibility for the Financial Report

The Committee Members of the entity are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are appropriate to meet the requirements of the Associations Incorporation Act Victoria and are appropriate to meet the needs of the members. The Committee Members responsibility also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee Members, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the financial reporting requirements under the Associations Incorporation Act Victoria. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

Basis for Qualified Auditor's Opinion

Cash donations, fundraising events and social functions are a significant source of revenue for the Association. The Association has determined that it is impracticable to establish control over the collection of these sources of revenue prior to entry into its financial records. Accordingly, as the evidence available to us regarding revenue from these sources was limited, our audit procedures with respect to these sources of revenue had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether revenue from cash donations, fundraising events and social functions the Association obtained is complete.

Qualified Auditor's Opinion

In our opinion, except for the effects on the financial report of such adjustments, if any, as might have been determined to be required had the limitation on our audit procedures referred to in the preceding paragraph not existed, the financial report presents fairly, in all material respects, the financial position of Victorian Amateur Football Association Umpires Association Incorporated as of 31 October 2010 and its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.
